

Chemique was founded on the premise of developing and marketing top quality, innovative products that meet or exceed our customers expectations. With over 45 years of manufacturing experience, we are constantly looking to improve our product line by adjusting existing products and adding “state of the art” products that satisfy our customers requirements, with safety, efficiency and price in mind. We realize that our greatest asset is a satisfied customer.

Our products are tested under laboratory conditions and extensively field tested before they are offered for sale. All our products are manufactured with consistent quality that our customers expect. We assure your satisfaction with a 30 day money back guarantee and personalized service.

Chemique products are used by, sold by and/or recommended by many companies such as: paint and sundry dealers, home centers, hardware stores, plumbing suppliers, kitchen and bath boutiques, bathroom fixture manufacturers, tile stores, marble fabricators, janitor suppliers, food service companies, transit authorities, airline companies, automotive dealerships, building restoration companies, government facilities and others as well with excellent results.

In addition to our consistent, top quality products, you can always rely on Chemique to maintain traditional service values and tollfree technical support.

As you will see, we have an extensive line of products for many applications. If you have any questions, please call us on our toll-free number at 1-800-225-4161.

KRC-7® Bathroom & Kitchen Care When an Ordinary Cleaner Won't Do!®

Our line of Bathroom and Kitchen Care products includes some of our best selling items. Widely accepted and recommended by most leading plumbing manufacturers, KRC-7® ULTRA Foaming Bathroom Cleaner is now available in an easy to use 32 ounce trigger spray bottle. In addition to KRC-7® ULTRA, we added a MULTI Professional Strength Cleaner, MOLD Mold & Mildew Stain Remover and PROTECT. If your customers are looking for products that perform better than what they are currently using, try our products. We guarantee you will be pleased with the results! Call us toll free at 1-800-225-4161 or visit our web site at www.chemique.com

KRC-7® Bathroom Cleaner/Restorer Original Gel Formula

KRC-7® will safely and effectively remove soap scum, hard water stains, rust, mineral deposits, stains caused by mold and mildew and other contaminants from non-slip tubs, acrylic, real ceramic tile, fiberglass, plastic, stainless, copper, brass, aluminum and glass surfaces. KRC-7® does not contain any bleach, abrasives, caustic, muriatic acid or petroleum distillates. KRC-7® is non-flammable and non-fuming.

Available in 5 sizes:

#72416	16 Oz. Squeeze Bottle (24/Case)
#01832	32 Oz. Squeeze Bottle (18/Case)
#12870	1 Gallon (4/Case)
#00075	5 Gallon Pail
#00755	55 Gallon Drum

KRC-7® ULTRA Foaming Bathroom Cleaner/Restorer

A high foaming, easy to use, trigger spray formulation, using the same highly effective ingredients as KRC-7® Original and is equally effective. KRC-7® Ultra safely removes soap scum, hard water stains, rust, mineral deposits, stains caused by mold and mildew and other contaminants from non-slip tubs, acrylic, real ceramic tile, fiberglass, plastic, stainless, copper, brass, aluminum and glass surfaces. KRC-7® Ultra does not contain any bleach, abrasives, caustic, muriatic acid or petroleum distillates. KRC-7® Ultra is non-flammable and non-fuming.

Available in 4 sizes:

#71232	32 Oz. Spray (12/Case)
#70020	1 Gallon (4/Case)
#70050	5 Gallon Pail
#70055	55 Gallon Drum

KRC-7® PROTECT Surface Guard

KRC-7® is a safe, neutral pH, biodegradable protectant that imparts an invisible, protective shield on all smooth and polished surfaces. KRC-7® leaves a smudge-proof shield which dirt cannot penetrate. KRC-7® is resistant to finger marking, water spotting, dirt, hard water stains and fogging. KRC-7® is long lasting, will not discolor any surface and does not build-up after multiple uses. Applying KRC-7® PROTECT makes cleaning easier and can increase the time between cleanings. Use after cleaning with KRC-7® Bathroom Cleaner or KRC-7® Multi Surface Cleaner.

Available in 4 sizes:

#78903	32 Oz. Spray (12/Case)
#78913	1 Gallon (4/Case)
#78953	5 Gallon Pail
#78963	55 Gallon Drum

WhirlAway® Plumbing System Cleaner & Deodorizer

WhirlAway® is a white, free-flowing, granular cleaning agent that provides excellent results economically. It is a powerful cleaning, bleaching, stain removing and deodorizing product for whirlpools, spas, dishwashers and clothes washers. WhirlAway® is environmentally safe, 100% biodegradable, meets the Toxic Substance Control Act and FDA classification GRAS (generally recognized as safe). WhirlAway® does not contain any chlorine compounds or hypochlorite bleaches.

It solubilizes and/or emulsifies contaminants such as soap scum, bath oils, body oils, mold & mildew stains, mineral deposits and dirt accumulations that produce infectious bacteria and sulfides that produce objectionable odors. Also, when the odor is eliminated, the sulfides are prevented from forming corrosive sulfuric acid, thereby reducing corrosion in the line. Use 8 ounces monthly to clean and deodorize any plumbing system. WhirlAway® can be safely used in all plumbing systems, including bath systems, washing machines and garbage disposal units. WhirlAway will not harm or mar acrylic, fiberglass, ABS plastic or any other surfaces.

Available in 4 sizes:

#00024	8 Oz. Jar (24/Case)
#00124	2 Lb. Jar with Scoop (12/Case)
#00224	10 Lb. Jar with Scoop (4/Case)
#04024	40 Lb. Pail

KRC-7® MOLD Bleach Free Mold & Mildew Stain Remover

MOLD is a safe, bleach free product that can be used on many surfaces where bleach based products cannot be used. Use MOLD on painted surfaces, fiberglass, plastic, vinyl, aluminum, wood, concrete, stone, metal, lawn furniture and many other surfaces.

Available in 4 sizes:

#78932	32 Oz. Spray (12/Case)
#78916	1 Gallon (4/Case)
#78915	5 Gallon Pail
#78955	55 Gallon Drum

KRC-7® GLASS Streak Free Glass Cleaner

Use KRC-7® GLASS to clean glass, mirrors, plastic, vinyl, chrome, counter tops, fixtures, appliances, stainless steel and most other smooth surfaces. Surfaces treated with KRC-7® GLASS are resistant to smearing and finger marking, producing a sparkling, clean surface. KRC-7® GLASS is a professional strength cleaner that was originally formulated for the automotive detailing market and is now available through retail outlets.

Available in 4 sizes:

#78904	32 Oz. Spray (12/Case)
#78914	1 Gallon (4/Case)
#77954	5 Gallon Pail
#77964	55 Gallon Drum

KRC-7® STAINLESS Stainless Steel Cleaner & Protectant

An easy to use, water based cleaner and protectant especially designed for stainless steel sinks and appliances. Guards against smudges and fingerprints. Keeps kitchen and bathroom fixtures looking great!

Available in 2 sizes:

#78905	32 Oz. Spray (12/Case)
#78915	1 Gallon (4/Case)

KRC-7® RESTORE Advanced Shower, Tub & Tile Cleaner

The latest in our line of professional strength bath and kitchen care products. RESTORE quickly removes soap scum, hard water stains, calcium & lime deposits, rust, mold, mildew, algae and other unwanted stains and contaminants. Use RESTORE on ceramic tile, porcelain, fiberglass, non-slip tubs, acrylic and colored grout. RESTORE does not contain any bleach, phosphates, peroxide or mineral acids.

Available in 2 sizes:

#78901	32 Oz. Spray (12/Case)
#78911	1 Gallon (4/Case)

KRC-7® CARPET Cleaner & Stain Remover with Odor Neutralizer

A powerful, but safe cleaner and odor neutralizer for carpeting, rugs and color fast wool rugs. Unlike some of the most powerful highly alkaline stain removers available today, CARPET does not leave behind tacky, soil attracting residues. While some of these products are effective cleaners, their residue can damage your carpet and cause rapid re-soiling. CARPET encapsulates dirt and soil so that it can be easily and completely removed – keeping your carpet cleaner longer. CARPET has received the Carpet & Rug Institute Seal of Approval.

Available in 2 sizes:

#78907	32 Oz. Spray (12/Case)
#78917	1 Gallon (4/Case)

KRC-7® CLEAN Multi-Surface Cleaner

A powerful, biodegradable, pH balanced cleaner. Use CLEAN to quickly remove dirt, grease, oil and many other unwanted contaminants. CLEAN can be used on painted surfaces, wood, CORIAN®, FORMICA®, solid surfaces, laminates, vinyl, plastic and metal.

Available in 2 sizes:

#78902	32 Oz. Spray (12/Case)
#78912	1 Gallon (4/Case)

KRC-7® MULTI Professional Strength Cleaner

A concentrated, biodegradable, heavy duty cleaner for use on any surface that is not harmed by water itself. Use KRC-7® MULTI to remove grease, hard water stains, soap scum and other hard to remove contaminants from plastic, vinyl, Sterling® fixtures, Formica®, tile, porcelain, marble, granite, Corian®, glass, ceramic, painted surfaces and others as well. KRC-7® MULTI is concentrated and can be diluted with up to 10 parts water for light cleaning and damp mopping.

Available in 4 sizes:

#78909	32 Oz. Spray (12/Case)
#78919	1 Gallon (4/Case)
#78954	5 Gallon Pail
#78969	55 Gallon Drum

Artisan® Stone Care Stone Care Made Easy!®

Although marble and granite are thought of as “maintenance free” these surfaces do require attention. If not properly cared for, your expensive investment can be damaged to the point where it has to be refinished or replaced- both of which are costly.

Natural stone surfaces have to be cleaned, protected and maintained with products that are specially designed for natural stone surfaces. Using general household detergents, abrasives, acids or alkali solutions will damage in integrity of any natural surface.

Staining from food and drinks is also an issue which needs to be addressed. Simply spilling a drink can cause staining which may require time consuming poulticing to remove the stain. Applying the proper water & oil repellent will help to eliminate staining and the expense of restoring a discolored natural surface.

Give you investment the attention it requires with Artisan® Stone

Artisan® MAINTAIN Neutral pH Cleaner

A pH balanced product for use on all natural stone. MAINTAIN can be used daily on marble, granite, limestone, slate, flagstone, travertine, quarry tile and terra cotta. It does not contain any harmful ingredients such as abrasives, acids, caustic or phosphates. Simply spray and wipe. MAINTAIN can also be used for mopping and on hardwood floors.

Available in 2 sizes:

#11880 32 Oz. Spray (12/Case)
#11881 1 Gallon (4/Case)

Artisan® CLEAN Intensive Stone Cleaner

A pH balanced cleaner with a pleasant aroma. It can be used daily on natural stone to remove stubborn soap scum and other contaminants from marble, granite, limestone and other natural stone surfaces. It will not etch like vinegar or build up with regular use.

Available in 2 sizes:

#11220 32 Oz. Spray (12/Case)
#11221 1 Gallon (4/Case)

Artisan® POLISH Stone Polish

The final protective step after cleaning and sealing. Leaves a rich, luxurious shine that is worthy of admiration! Regular use leaves treated surfaces with an invisible, smudge-proof finish that repels water, mildew and rust.

Available in 2 sizes:

#11330 32 Oz. Spray (12/Case)
#11331 1 Gallon (4/Case)

Artisan® SEAL Penetrating Stone Sealer & Oil Repellent

An easy to apply penetrating sealer and oil repellent that helps to maintain an etch-free, stain-free surface. A must for all polished marble, granite, limestone, shower walls, vanity counter tops and grout joints.

Available in 2 sizes:

#11440 32 Oz. Bottle (12/Case)
#11441 1 Gallon (4/Case)

Artisan® ENHANCE Penetrating Enhancer & Sealer

Eliminates the “dusty look” of tumbled marble, flamed granite, concrete and stucco surfaces. ENHANCE brings out the color and refinement of these unpolished surfaces. A newly developed product that combines fluorochemical with silicone for maximum oil and water repellency. This breathable formula outperforms typical film forming products. Not for use on polished or honed surfaces.

Available in 2 sizes:

#22330 32 Oz. Bottle (12/Case)
#22331 1 Gallon (4/Case)

Artisan® PROTECT For Unpolished Stone & Tile

Artisan® PROTECT is a topical, water based sealer for use on grout, tumbled, stone, flamed granite, unglazed ceramic, stamped concrete and other similar surfaces. It forms a durable barrier, against stain generating contaminants. It is a penetrating sealer which bonds to the substrate and hardens the surface. Artisan® PROTECT can also be applied to unglazed tile, tumbled or flamed natural stone surfaces. This product is not suitable for use on glazed ceramic tile, polished or honed stone.

Available in 2 sizes:

#11660 32 Oz. Bottle (12/Case)
#11661 1 Gallon (4/Case)

Artisan® Stain Remover

Use to remove deep stains from natural stone surfaces that cannot be removed with cleaners. Combine poultice with Artisan® CLEAN for maximum efficiency.

Available in 4 sizes:

#22111 8 Oz. Jar (12/Case)
#22112 2 Lb. Jar (12/Case)
#22118 1 Gallon. Pail (4/Case)
#22113 5 Gallon. Pail

DWR® Deck Care Deck Care Made Easy!™

Don't be fooled by "inexpensive, easy to use" bleach (sodium hypochlorite) based deck and wood cleaners. Bleach based products are effective against mildew, but do not remove dirt, stains and other surface contaminants. Not only is bleach ineffective in removing dirt and surface contaminants, it will leave your wood with a pale, bleached-out, unnatural tone. Bleach is too harsh to use on wood and actually does more harm than good. Bleach will soften and break down the wood fibers which will lead to poor adhesion and premature failure of any coatings or sealers. Also, bleach and the chemicals in water repellent coatings are not compatible. By cleaning with bleach, the durability and life of a coating will be greatly reduced, and in most cases, by more than 50%. Use DWR® Restoration products to restore the natural beauty of the wood.

DWR® Deck & Wood Cleaner/Restorer

This is a concentrated product for exterior wood surfaces. DWR® Cleaner/Restorer removes dirt, stains and other contaminants out of the wood, (unlike bleach) restoring grayed and weathered wood back to its natural, honey golden color. It will also remove stains caused by mold, mildew, tannin and water stains.

Available in 2 sizes and a professional concentrate:

#00510	1 Gallon (4/Case)
#00510	1 Gallon w/Brightener (4/Case)
#00515	5 Gallon Pail
#00520	5 Gallon Pail Concentrate

DWR® Deck & Wood Mildew Stain Remover

Deck & Wood Mildew Stain Remover is a concentrated, water dilutable product that removes the stubborn stains caused by mold, mildew and algae. Use DWR on wood decks, siding and fencing. DWR can also be used on concrete, block, stucco and vinyl siding.

Available in 2 sizes:

#00815	5 Gallon Pail
#00820	55 Gallon Drum

DWR® Deck & Wood Stripper

This is a ready to use product, formulated to remove deteriorated oil based stains and clear finishes. DWR® Stripper is a biodegradable product. It does not contain bleach, chlorinated solvents, acids or any ozone depleting ingredients. It will also restore wood to its natural, honey golden color, while preparing the surface for recoating. It is recommended for all wood surfaces including cedar, redwood, pressure treated, pine and oak decks, siding and fencing.

Available in 2 sizes and a professional concentrate:

#00610	1 Gallon (4/Case)
#00610	1 Gallon w/Brightener (4/Case)
#00615	5 Gallon Pail
#00620	5 Gallon Pail Concentrate

DWR® Sprayable Deck & Wood Stripper

DWR® Deck & Wood Stripper is now available in a ready to use, spray formula. Excellent for use on hard to reach areas, railings and spindles. This product contains the same amount of active ingredients as the original stripper and can be readily applied with a plastic sprayer. Simply spray on and rinse off!

Available in 2 sizes and a professional concentrate:

#00110	1 Gallon (4/Case)
#00110	1 Gallon w/Brightener (4/Case)
#00115	5 Gallon Pail
#00120	5 Gallon Pail Concentrate

DWR® Deck & Wood Brightener/Neutralizer

Organic Wood Brightener & Neutralizer is a powdered, 100% biodegradable product for brightening exterior, natural wood surfaces that have darkened after using our DWR Cleaner or Stripper. It can also be used by itself to restore slightly gray wood surfaces. After cleaning or stripping wood, we strongly recommend using this product to brighten and neutralize surface before staining or coating.

Available in 2 sizes:

#00410	8 Oz. Bag (24/Case)
#00420	8 Lb. Jar (4/Case)

DWR® Deck & Wood Coating Rejuvenator

A professional, concentrated formulated for cleaning and restoring sound deck coatings, stains and finishes. Rejuvenator restores surface to like new without stripping or harming the existing finish. Periodic use will extend the life of the coating. Removes all surface dirt, grime, mold & mildew stains, tannin, water and rust stains. Bleach free formula.

Available in 2 sizes:

#00210	1 Gallon (4/Case)
#00215	5 Gallon Pail

**ALL DWR® Deck & Wood Care Products
are available in 55 gallon drums.**

New England® Deck & Wood Finish

New England® Deck & wood Products Provide Superior: Water Repellency, Mildew Resistance, Color Retention, Scuff Resistance, U.V. Protection, Adhesion

New England® Deck & Wood Transparent Finish Water based, high solids deck and wood finish that prevent graying from U.V. exposure. New England's® superior resin provides unmatched UV protection through the use of trans-oxide pigments, uv absorbers and uv stabilizers. New England® Transparent Finishes provide superior water repellency, mildew resistance, color retention and scuff resistance. "Gives Wood that Furniture Finish Look." Available in cedar, natural cedar, brown and redwood tones and a clear base.

Available in 2 sizes:

- #99991 1 gallon (4/case), transparent
- #99995 5 gallon pail, transparent

ION-417® Ultra House Wash Concentrate

Exposure to sunlight, acid rain, soot, dirt, algae, aging and pigment migration all contribute to the surface deterioration that can be corrected with an ION-417® reconditioning wash. ION-417® is an all organic, bio-degradable restoration product that can be safely used on aluminum and vinyl siding and painted surfaces. It does not contain harsh solvents, caustics, carbonates or soaps that leave greasy films. ION-417 is a phosphate free cleaner.

Available in 2 sizes:

- #00310 1 Gallon (4/Case)
- #00315 5 Gallon Pail

Artisan® For Pavers, Brick & Masonry Paver Care Made Easy!™

Artisan® Penetrating Water Repellent

This is a solvent free, silane modified, siloxane emulsion which forms a breathable, clear, water repellent sealer. It is a deep penetrating product that does not change the appearance of the substrate and provides excellent water repellency, even in wind driven rain. Artisan® Penetrating Water Repellent prevents water absorption, which reduces or eliminates cracking, spalling, efflorescence and general freeze/thaw damage. Excellent for concrete, stucco, brick, pavers, block, split face block, pre-cast, clay tiles, exposed aggregate and most other masonry surfaces.

Available in 3 sizes:

#99441	1 Gallon (4/Case)
#99445	5 Gallon Pail
#99446	55 Gallon Drum

Artisan® Penetrating Color Enhancer & Repellent

Color Enhancer & Repellent is a newly developed, solvent free product that provides color enhancement (surface darkening) and water and oil repellency. This water based product is a breathable, durable sealer that is U.V. resistant. Artisan® is excellent for pavers and exposed aggregate where color enhancement is desired. It can also be used on concrete, brick, pre-cast, clay tiles and most other masonry surfaces.

Available in 3 sizes:

#99331	1 Gallon (4/Case)
#99335	5 Gallon Pail
#99336	55 Gallon Drum

Artisan® Paver Cleaner

Artisan® Paver Cleaner safely restores concrete pavers, stamped concrete, brick, exposed aggregate and other similar surfaces. Use Artisan(R) to remove stains, light efflorescence and surface discolorations that accumulate throughout the winter and during in-season use. This product is non-fuming, V.O.C. compliant and phosphate free.

Available in 3 sizes:

#99911	1 Gallon (4/Case)
#99915	5 Gallon Pail
#99916	55 Gallon Drum

Artisan® Efflorescence Remover

Remove efflorescence without pitting or etching the surface. A fast acting, water based product that does not contain any muriatic (hydrochloric) acid, is non-fuming and non-corrosive to the skin. Use to remove efflorescence prior to sealing. Use on pavers, brick, concrete, pre-cast, block, split face block, exposed aggregate and most other similar masonry surfaces.

Available in 3 sizes:

#99881	1 Gallon (4/Case)
#99885	5 Gallon Pail
#99886	55 Gallon Drum

Artisan® Grease & Oil Emulsifier

Use Grease & Oil Emulsifier for grease and oil stain emulsification and general heavy duty cleaning. This is a water based, bleach free, biodegradable product that does not contain any harsh solvents, acids or phosphates. Simply spray on and rinse off.

Available in 3 sizes:

#99771	1 Gallon (4/Case)
#99775	5 Gallon Pail
#99776	55 Gallon Drum

Artisan® Grease & Oil Remover

Artisan® Grease & Oil Remover is a thick, pourable product that pulls grease and oil stains from masonry surfaces. Simply pour directly onto the stain, allow to dry, remove residue, then rinse with water. Use on pavers, brick, concrete, pre-cast, split face block, exposed aggregate, clay tiles, most other masonry surfaces and asphalt.

Available in 3 sizes:

#99994	1 Quart (12/Case)
#99991	1 Gallon (4/Case)
#99995	5 Gallon Pail

Artisan® Light Duty Rust Remover

Artisan® Light Duty Rust Remover quickly removes surface rust from masonry surfaces without pitting or etching the surface. Use on pavers, brick, concrete, pre-cast, block, split face block, exposed aggregate, clay tiles and most other similar masonry surfaces.

Available in 3 sizes:

#99551	1 Gallon (4/Case)
#99555	5 Gallon Pail
#99556	55 Gallon Drum

Artisan® Heavy Duty Rust Remover

Use Artisan® Heavy Duty Rust Remover to remove deep seated rust stains without pitting or etching the surface. This is a professional strength product does not contain any muriatic (hydrochloric) acid. Use on pavers, brick, concrete, pre-cast, block, split face block, exposed aggregate and most other similar masonry surfaces.

Available in 3 sizes:

#99861	1 Gallon (4/Case)
#99865	5 Gallon Pail
#99866	55 Gallon Drum

Artisan® Topical Enhancer SB

Topical Enhancer SB is a V.O.C. compliant, solvent based acrylic sealer that enhances the natural color of pavers, brick, tumbled marble, flamed granite, concrete, exposed aggregate, split faced block and other similar surfaces. Multiple coats will increase gloss.

Available in 3 sizes:

#33441	1 Gallon (4/Case)
#33445	5 Gallon Pail
#33446	55 Gallon Drum

Artisan® Organic Stain Remover

A safe, biodegradable product that when mixed with water produces a powerful cleaning solution that is effective in the removal of stains caused by mold and mildew.

Available in 3 sizes:

#99001	1 Gallon (4/Case)
#99005	5 Gallon Pail
#99006	55 Gallon Drum

Artisan® Poly Haze Remover

Quickly removes stubborn poly haze from pavers. Restores the natural color of pavers without etching or pitting. This is a safe, water based product that does not contain any muriatic acid.

Available in 3 sizes:

#33551	1 Gallon (4/Case)
#33555	5 Gallon Pail
#33556	55 Gallon Drum

Artisan® Nano-Acrylic Protective Sealer

A superior, water based sealer that is formulated with a nano-particle acrylic resin. This sealer gives a highly durable and U.V. resistant finish with a satin sheen. Apply to pavers, brick, concrete, pre-cast, block, split face block, exposed aggregate, clay tiles and most other masonry surfaces.

Available in 3 sizes:

#99111	1 Gallon (4/Case)
#99115	5 Gallon Pail
#99116	55 Gallon Drum

ARTISAN® Building Restoration Products

The beauty of natural stone can be quickly destroyed by using aggressive cleaners. Cleaning products that contain muriatic acid, hydrochloric acid or caustic are highly corrosive and can quickly damage the surface. Artisan® Building Restoration Products do not contain any muriatic, hydrochloric or caustic.

Variables such as stone type, age and environmental exposure must be taken into consideration when determining a restoration method.

Protect that beauty and protect your investment with Artisan® Building Restoration Products

Artisan® No Pane Restoration Cleaner

A newly developed, hydrofluoric free building restoration cleaner that will not etch glass. No Pane safely restores concrete, flamed granite, block and other similar surfaces without pitting or etching.

Available in 3 sizes:

- #33661 1 Gallon (4/Case)
- #33665 5 Gallon Pail
- #33666 55 Gallon Drum

Artisan® Efflorescence Remover

A fast acting, muriatic free product that safely removes efflorescence from brick, pavers, concrete, stone and exposed aggregate. A powerful remover that is non-fuming and non-corrosive to the skin. Restores surface to like new.

Available in 3 sizes:

- #99881 1 Gallon (4/Case)
- #99885 5 Gallon Pail
- #99886 55 Gallon Drum

Artisan® Safer Limestone Cleaner

One step, heavy duty restorer for Limestone. Removes atmospheric stains and discolorations without etching, pitting or damaging the surface. This is a caustic free formula.

Available in 3 sizes:

- #13110 1 Gallon (4/Case)
- #13115 5 Gallon Pail
- #13155 55 Gallon Drum

Artisan® Safer Heavy Duty Restoration Cleaner

Restores most masonry surfaces including brick, concrete, flamed granite, block and other similar surfaces. Slightly gelled product clings to surface easily and allows for longer dwell time when necessary. Removes carbon and atmospheric and pollution staining. This product does not contain muriatic, hydrochloric, bleach, caustic or solvents.

Available in 3 sizes:

- #22210 1 Gallon (4/Case)
- #22215 5 Gallon Pail
- #22255 55 Gallon Drum

Artisan® Safer Heavy Duty Restoration Gel

Restores most masonry surfaces including light colored brick, concrete, flamed granite, block and other similar surfaces. Slightly gelled product clings to surface easily and allows for longer dwell time when necessary. Removes carbon and atmospheric staining without the use of harsh acids..

Available in 3 sizes:

- #33351 1 Gallon (4/Case)
- #33355 5 Gallon Pail
- #33356 55 Gallon Drum

Artisan® Architectural Restorer

Water based, biodegradable, heavy duty detergent that can be safely used on masonry and painted surfaces. Safe for interior and exterior applications. Does not contain any caustic, acids or phosphates.

Available in 3 sizes:

- #61417 1 Gallon (4/Case)
- #05417 5 Gallon Pail
- #55417 55 Gallon Drum

Artisan® Penetrating Water Repellent

A water based, breathable repellent that provides superior protection against water infiltration. Unprotected surfaces are susceptible to cracking, spalling and efflorescence. This product does not change the appearance of the surface and is non-film forming.

Available in 3 sizes:

- #99441 1 Gallon (4/Case)
- #99445 5 Gallon Pail
- #99446 55 Gallon Drum

Artisan® Safer Heavy Duty Masonry Rust Remover

Removes deep seated rust stains from masonry, brick, pavers, concrete and exposed aggregate. Does not contain hydrochloric acid. Designed for the most difficult to remove rust stains.

Available in 3 sizes:

- #99661 1 Gallon (4/Case)
- #99665 5 Gallon Pail
- #99666 55 Gallon Drum

Artisan® Marble Restorer

Water based, biodegradable formula that can be safely used on polished or honed marble, travertine and other similar surfaces. Safe for interior or exterior applications. Does not contain any caustic acids or phosphates.

Available in 3 sizes:

- #44410 1 Gallon (4/Case)
- #44415 5 Gallon Pail
- #44455 55 Gallon Drum

Artisan® Metal Restorer

A professional strength cleaner formulated to clean and restore unfinished metal surfaces. Removes rust, oxidation, tarnish, water stains and mineral deposits. Use on copper, brass, aluminum stainless, bronze and chrome.

Available in 3 sizes:

- #12870 1 Gallon (4/Case)
- #00075 5 Gallon Pail
- #00755 55 Gallon Drum

Artisan® Safer Mold & Mildew Stain Remover For Wood

A ready to use, bleach free, water based product that removes stains caused by mold and mildew. Best on wood surfaces. Can also be used on precast, concrete, block, brick, natural stone and other similar surfaces.

Available in 2 sizes:

- #78616 1 Gallon (4/Case)
- #78656 5 Gallon Pail

Artisan® Organic Stain Remover For Masonry

A safe, biodegradable product that when mixed with water produces a powerful cleaning solution that is effective in the removal of stains caused by mold and mildew.

Available in 3 sizes:

- #99001 1 Gallon (4/Case)
- #99005 5 Gallon Pail
- #99006 55 Gallon Drum

StripIt® Paint Removal Products Made Easy!™

StripIt® Advanced Paint Removal Products are blended with the most effective ingredients, combining ease of use, safety and the environment. All StripIt® products meet or exceed all V.O.C. regulations and do not contain any methylene chloride, methanol or petroleum distillates.

StripIt® Heavy Duty Alkaline Paint Remover

A water based, alkaline paint and coating remover. This remover is non-fuming, odor free, nonflammable and biodegradable. Can be used on concrete, brick, stone, steel, wood, fiberglass, plastic and other surfaces. Use StripIt® to remove multiple coats of lead based paint, lead based primers and various oil and water based paints.

Available in 3 sizes:

#88111	1 Gallon Kit
#88115	5 Gallon Pail Kit
#88117	5 Gallon Pail

StripIt® Safer Water Based Paint Remover

A water based, environmentally friendly paint and coating remover. This product is practically odor free, non-flammable and biodegradable. Can be used on brick, stone, metal, wood, fiberglass and other surfaces. Use StripIt® to remove multiple coats of latex, acrylic, urethane, varnish, lacquer and architectural and industrial coatings. Does not require neutralization.

Available in 3 sizes:

#88334	1 Quart (6/Case)
#88331	1 Gallon (4/Case)
#88335	5 Gallon Pail

StripIt® Professional Strength High Performance Paint Remover

A water based, environmentally friendly paint and coating remover. This remover is a low odor, non-flammable and biodegradable product. Can be used on concrete, brick, stone, aluminum, wood, fiberglass, plastic and other surfaces. Use StripIt® to remove multiple coats of latex, acrylic, urethane, varnish, lacquer and architectural & industrial coatings. Can also be used to remove lead based paints, elastomeric and automotive finishes. Does not require neutralization.

Available in 2 sizes:

#88441	1 Gallon (4/Case)
#88445	5 Gallon Pail

StripIt® Safer Solvent Based Paint Remover

A professional strength, environmentally friendly paint and coating remover that is suitable for use on many surfaces and effectively removes a wide variety of coatings. Can be used on concrete, brick, stone, metal, wood, plaster, fiberglass and other surfaces. Use StripIt® to remove multiple coats of paint, acrylic, urethane, varnish, lacquer, enamel, epoxy, alkyd, chlorinated rubber automotive & marine finishes, mastic aluminum and industrial coatings. Does not require neutralization.

Available in 3 sizes:

#88224	1 Quart (6/Case)
#88221	1 Gallon (4/Case)
#88225	5 Gallon Pail

StripIt® Neutralizer

An easy to use, environmentally friendly neutralizing agent that must be applied after using our StripIt® Heavy Duty Alkaline Remover. It is imperative that StripIt® Neutralizer is used to reduce surface pH, even if the surface is not being painted after paint removal.

Available in 2 sizes:

#88667	1 Lb. Bag (12/Case)
#88668	1 Gallon (4/Case)

StripIt® Professional Strength Neutralizer

A concentrated liquid neutralizing agent that must be used after using our StripIt® Alkaline Remover or StripIt® Extra Strength Paint Remover. It is imperative that StripIt® Professional Neutralizer is used to reduce surface pH, even if the surface is not being painted after removal.

Available in 1 size:

#88995	5 Gallon Pail
--------	---------------

StripIt® Extra Heavy Duty Alkaline Paint Remover

An extra heavy duty, water based, alkaline paint and coating remover. This remover is non-fuming, odor free, nonflammable and biodegradable. Can be used on concrete, brick, stone, aluminum, wood, fiberglass, plastic and other surfaces. Use StripIt® to remove multiple coats of lead based paint, lead based primers, urethane, cross-linked polymers, silanes, curing agents and various architectural coatings.

Available in 1 size:

#88555 5 Gallon Pail

StripIt® Safer Water Based Paint Remover GEL

A water based, environmentally friendly paint and coating remover. This product is practically odor free, non-flammable and biodegradable. Can be used on brick, stone, metal, wood, fiberglass and other surfaces. Excellent for horizontal surfaces. Use StripIt® GEL to remove multiple coats of latex, acrylic, urethane, varnish, lacquer and architectural and industrial coatings. Does not require neutralization.

Available in 2 sizes:

#88330 1 Gallon (4/Case)

#88333 5 Gallon Pail

StripIt® Final Wash Paint Residue Remover

StripIt® Final Wash is a water based, environmentally friendly product for removing paint residue left on the surface after paint stripping. Use StripIt® Final Wash after using any of our StripIt® Paint Removal products. This product does not contain any hazardous methylene chloride, methanol, caustic or NMP. Use StripIt® on interior and exterior surfaces including concrete, brick, stone, metal, wood, fiberglass and other surfaces.

Available in 2 sizes:

#81230 22 oz. (12/Case)

#81231 1 Gallon (4/Case)

StripIt® Paint Remover for Steel Surfaces

A water based, alkaline remover that is formulated to remove lead based paint and other coatings from steel surfaces. Contains a polymer that forms a film on the surface of the remover. This self-sealing film inhibits lead dust from becoming airborne and keeps the remover wet/active during the removal process

Available in 1 size:

#88775 5 Gallon Pail

StripIt® Paper

Use StripIt® Paper in conjunction with our professional strength paint removal products for safety purposes and to increase dwell times. Prevent chemical contact by covering any StripIt paint remover with our StripIt® Paper. Applying StripIt® Paper over any of our paint removers will provide extended dwell times by reducing the evaporation rate. This reduction in evaporation rate will allow the paint remover to remain active for an extended period of time and improve overall removal properties.

StripIt® Paper is available in packs of 100 square feet (10 sheets x 10 square feet each), 13" x 300' rolls and 36" x 100' rolls.

Artisan® Anti-Graffiti Products

Artisan® 2-Part Anti-Graffiti Barrier Coating

A permanent, 2 component, fluorinated coating for superior protection against graffiti. This product contains a fluorinated resin which inhibits graffiti penetration and aids in the removal.

Available in 2 sizes:

#22310 1 Gallon (2/Case)
#22315 Gallon Kit

Artisan® Anti-Graffiti Protectant

A single component, non-sacrificial, water based protectant for masonry surfaces, that dries to a clear, breathable finish. Inhibits graffiti and water intrusion to above grade applications.

Available in 2 sizes:

#33331 1 Gallon (4/Case)
#33335 5 Gallon Pail

Artisan® Sacrificial Anti-Graffiti Coating

Protects masonry and painted surfaces from graffiti attacks. Dries to a clear finish that inhibits graffiti from penetrating onto the substrate. Use on concrete, stucco, block, precast and painted surfaces.

Available in 3 sizes:

#55510 1 Gallon (4/Case)
#55515 5 Gallon Pail
#55555 55 Gallon Drum

Artisan® Graffiti Remover

Safely removes graffiti from permanent graffiti barrier coatings. Removes marker, spray paint and ink. This is a water based remover that does not contain any NMP.

Available in 2 sizes:

#42010 32 Oz Spray (12/Case)
#42015 1 Gallon (4/Case)

Artisan® Graffiti & Shadow Stain Remover

A powerful graffiti remover that quickly removes graffiti from bare masonry surfaces. Removes marker, spray paint and ink. This is a water based remover that does not contain any NMP or methylene chloride.

Available in 2 sizes:

#45010 1 Gallon (4/Case)
#45011 5 Gallon Pail

DWRll® Graffiti Remover GEL

A unique, zero V.O.C. graffiti remover gel. DWRll will dissolve, suspend and remove imbedded markings and defacements from a variety of surfaces. DWRll does not contain any chlorinated solvents, caustic, acid, NMP or acetone. Use on painted surfaces, graffiti barriers, vinyl, natural stone, brick, fabric, glass, plastic and other surfaces.

Available in 2 sizes:

#02210 16 Oz Bottle (12/Case)
#02215 1 Gallon (4/Case)

Stone & Masonry Restoration

The beauty of natural stone can be quickly destroyed given the wide array of surfaces available today. Variables like age, climate and stone type have to be taken into consideration when determining a restoration method.

BAC-2-NU® Stone & Masonry Cleaner/Restorer

BAC-2-NU® is a slightly acidic, heavy duty cleaner/restorer. It will remove a variety of contaminants from natural stone surfaces. BAC-2-NU® does not contain any bleach, abrasives, caustic, muriatic acid or petroleum distillates. It is formulated as a ready to use product and is generally used accordingly; however, it can be diluted for light cleaning and non-slip floor applications in place of hydrofluoric acid, a highly toxic and corrosive chemical.

BAC-2-NU® can be used to clean and restore stone, brick, masonry, unglazed ceramic, travertine, marble (unpolished or unglazed), granite, limestone, stucco, terrazzo, terra-cotta and other similar type surfaces. Use to remove, rust, chalking, efflorescence, atmospheric stains and dirt without etching, pitting or damaging the surface or joints.

Available in 3 sizes:

#22210	1 Gallon (4/Case)
#22215	5 Gallon Pail
#22255	55 Gallon Drum

C-13® Limestone Cleaner/Restorer

C-13® is a unique reconditioning product, for cleaning and restoring limestone surfaces. C-13® also works extremely well on marble and travertine, removing accumulated surface contaminants, mineral deposits and atmospheric stains. Use for both interior and exterior applications. C-13® is effective over a wide dilution range. It works equally well in hot or cold water. C-13® does not contain any harsh solvents, phosphates or acids and does not require neutralization.

Available in 3 sizes:

#13110	1 Gallon (4/Case)
#13115	5 Gallon Pail
#13155	55 Gallon Drum

C-14® Grouting Haze Remover

C-14® Grout Haze Remover is an acid-free, water dilutable product. It can be safely used on ceramic, quarry and Mexican tile, granite, marble, slate, brick and other natural and manmade stone and tile. C-14® is a muriatic free product. C-14® safely removes grouting haze without etching, pitting or damaging the surface or grouting – full strength or diluted.

Available in 2 sizes:

#14115	5 Gallon Pail
#14155	55 Gallon Drum

ION-422® Marble Cleaner/Restorer

ION-422® is a thickened, heavy duty cleaner/restorer for marble surfaces, specifically glazed, polished and honed types. ION-422® does not contain any harsh solvents, abrasives, phosphates, caustics or acids. A surface restored with ION-422® will not attract dirt and does not leave a tacky film. ION-422® will not harm or mar surrounding surfaces like glass, aluminum, masonry or painted surfaces.

Available in 3 sizes:

#44410	1 Gallon (4/Case)
#44415	5 Gallon Pail
#44455	55 Gallon Drum

ION-417® Architectural Cleaner/Restorer

ION-417®, one of our best selling products, is a biodegradable and can be used to clean any surface that is not damaged by water itself. ION-417® does not contain any harsh solvents, phosphates, caustics or acids. ION-417® can be used on stone, brick, masonry, ceramic, porcelain, fiberglass, chrome, aluminum, stainless, glass, plastics, marble, tile linoleum, VAT tile, and many other surfaces.

Available in 3 sizes:

#61417	1 Gallon (4/case)
#05417	5 Gallon Pail
#55417	55 Gallon Drum

ION-417X® Extra Heavy Duty Cleaner/Restorer

ION-417X® is a stronger version of ION-417® for cleaning and restoring surfaces that require added strength for difficult cleaning problems. Although ION-417X® is a stronger product, it can also be used on all surfaces that are not damaged by water itself, like ION-417®, with higher dilution rates.

Available in 3 sizes:

#41710	1 Gallon (4/case)
#41715	5 Gallon Pail
#41755	55 Gallon Drum

How To Place An Order

Please use the stock number when ordering.
Include number of cases, pails and/or drums.
We ship all orders from our facility in Moorestown, New Jersey.
Order by phone, fax, e-mail or U.S. mail to:

CHEMIQUE, INC.

315 N. Washington Ave.
Moorestown, NJ 08057
tel: (856) 235-4161 in NJ
tel: (800) 225-4161
fax: (856) 273-0917
