

ARTISAN®

Metal Restorer

DESCRIPTION & USES

Artisan® is a specially formulated product for restoring rusted, oxidized and dirty metal surfaces. It will safely and effectively remove patina, hard water stains, rust, mineral deposits, oxidation, and other contaminants from copper, brass, bronze, stainless, aluminum and lead. Artisan does not contain any bleach, abrasives, caustic, hydrofluoric or muriatic acid or petroleum distillates. Artisan is non-flammable and non-fuming. NOTE: DO NOT APPLY TO ANODIZED OR LACQUERED SURFACES.

PREPARATION

For best results, test a solution of Artisan before general use. Apply Artisan onto surface and let stand for several minutes. Lightly agitate, thoroughly rinse and allow to dry to determine compatibility and desired results.

APPLICATION

Artisan can be used full strength or diluted. After determining solution strength, apply solution onto a dry surface. Apply from the bottom up, on vertical surfaces. Let solution stand for several minutes, depending on surface and contaminants, agitate and rinse thoroughly. A second application and/or longer dwell time might be needed on certain surfaces.

PACKAGED

Artisan is available in gallons (4/case), 5 gallon pails and 55 gallon drums.

SAFETY AND HANDLING

For specific information, please refer to the material safety data sheet. Close container after each use. Keep out of reach of children. Do not mix Artisan with any other cleaners. Wear rubber or latex gloves and avoid splashing.

STORAGE AND SHELF LIFE

The shelf life for Artisan is indefinite in closed containers. Store in a cool, dry place away from incompatible materials. Protect from freezing.

PROPERTIES

Appearance	Yellow/Orange liquid
Flash Point	None
lbs/gallon	9.5 - 9.6

Product Information

SAFETY AND HANDLING

DANGER: Corrosive Liquid. **KEEP OUT OF REACH OF CHILDREN.** For specific information, please refer to the material safety data sheet. Wear chemical resistant gloves, apron, footwear and goggles. Refer to product label and material safety data sheet for complete safety information.

Use only with adequate ventilation. Do not breathe spray mist. Ensure fresh air entry during application and drying. Avoid contact with eyes and contact with skin. Avoid exposure to mist by wearing a NIOSH approved respirator during application and clean up. Follow respirator manufacturer's directions for respirator use. Close container after each use. Wash thoroughly after handling.

FIRST AID: In case of eye contact, flush with water for 15 minutes, while lifting upper and lower lids. Get immediate medical attention. In case of contact with skin, wash with soap and water. If irritation develops, seek immediate medical attention. If you experience difficulty breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately.

IN CASE OF SPILL: Absorb with inert material and dispose of properly. **KEEP OUT OF REACH OF CHILDREN.** Refer to Material Safety Data Sheet available for further safety and handling information.

WARRANTY

Information and recommendations for this product are based on research performed by Chemique, Inc. and the research of others, and are believed to be accurate. However, no guarantee of the accuracy is made because we cannot cover every possible application of our products, or can we anticipate every variable that may be encountered regarding types masonry surfaces, job conditions, degradation, weathering, age and methods used. The purchaser and end user must make their own tests to determine the suitability of such products for each particular purpose.

Chemique, Inc. warrants this product to be free from defects. Chemique makes no other warranties with respect to this product, express or implied, including without limitation the implied warranties of merchantability or fitness for particular purpose. Chemique, Inc's liability shall be strictly limited to supplying sufficient product to re-clean the specific areas which defective product was applied. Acceptance and use of this product absolves Chemique, Inc. from any and all liability whatsoever, including liability for incidental, consequential or resultant damages whether due to breach of warranty, negligence or strict liability. This warranty may not be altered, modified or extended by representatives of Chemique, Inc., its distributors or dealers.
