

## Product Information

### DWR-II® Graffiti Remover

#### DESCRIPTION

DWR-II is a heavy duty, water rinseable cleaner and graffiti remover. A unique combination of surfactants and special solvents, DWR-II will dissolve, suspend and remove deeply imbedded markings, defacements and adhesive from a variety of surfaces.

DWR-II does not contain any chlorinated solvents, caustics or acids. It is environmentally safe and does not require any special handling or disposal procedures.

#### USES

DWR-II can be used, without harm to: vinyl, stone, brick, masonry, ceramic, porcelain, fiberglass, chrome, aluminum, stainless, glass, formica, plastics, marble, wood and painted surfaces for the removal of graffiti. DWR-II works best on smooth surfaces and those treated with CPU-66/3®.

#### PREPARATION

Test to determine compatibility and dwell time before general use. Work in small, manageable areas. DWR-II will de-fat skin, wear solvent resistant gloves and goggles to avoid eye irritation.

#### PROPERTIES

Appearance	Clear, viscous liquid
Odor	Mild
Flash Point	>200 degrees F
V.O.C:	Zero
lbs/gallon	8.0 - 8.2

#### APPLICATION

Do not dilute DWR-II. Apply to a dry surface, from the bottom up with a cloth or brush. Let stand for several minutes, depending on surface and contaminates. Agitate and rinse thoroughly. A second application may be necessary. If applying CPU-66/3 graffiti barrier, wait until surface is completely dry.

#### CLEAN UP

Clean tools and equipment immediately using soap and water.

#### DISPOSAL

Use completely or dispose of properly. Local requirements vary. Consult your local sanitation department or state designated environmental agency.

#### PACKAGED

Available in pints (12/case), gallons (4/case), 5 gallon pails and 55 gallon drums.

#### STORAGE AND SHELF LIFE

Store in a dry room in closed containers. The shelf life is 24 months in original, closed containers.

## Product Information

### DWR-II® Graffiti Remover

#### SAFETY

Use only with adequate ventilation. Do not breathe spray mist. Ensure fresh air entry during application and drying. Avoid contact with eyes and prolonged or repeated contact with skin. Avoid exposure to mist by wearing a NIOSH approved respirator during application and clean up. Follow respirator manufacturer's directions for respirator use. Close container after each use. Wash thoroughly after handling.

**FIRST AID:** In case of eye contact, flush with water for 15 minutes; for skin, wash with soap and water. If you experience difficulty breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately.

**IN CASE OF SPILL:** Absorb with inert material and dispose of properly.

**KEEP OUT OF REACH OF CHILDREN**  
Refer to Material Safety Data Sheet available for further safety and handling information.

#### WARRANTY

Information and recommendations for this product are based on research performed by Chemique, Inc. and the research of others, and are believed to be accurate. However, no guarantee of the accuracy is made because we cannot cover every possible application of our products, or can we anticipate every variable that may be encountered regarding types masonry surfaces, job conditions, degradation, weathering, age and methods used. The purchaser and end user must make their own tests to determine the suitability of such products for each particular purpose.

Chemique, Inc. warrants this product to be free from defects. Chemique makes no other warranties with respect to this product, express or implied, including without limitation the implied warranties of merchantability or fitness for particular purpose. Chemique, Inc.'s liability shall be strictly limited to supplying sufficient product to re-clean the specific areas which defective product was applied. Acceptance and use of this product absolves Chemique, Inc. from any and all liability whatsoever, including liability for incidental, consequential or resultant damages whether due to breach of warranty, negligence or strict liability. This warranty may not be altered, modified or extended by representatives of Chemique, Inc., its distributors or dealers.
