

Product Information

KRC-7® PROTECT

DESCRIPTION

KRC-7® PROTECT is a safe, neutral pH, biodegradable product that imparts an invisible, shield on smooth or polished surfaces. PROTECT leaves a smudge-proof shield which dirt cannot penetrate. It is resistant to finger marking, water spotting, dirt, hard water stains and fogging.

PROTECT is long lasting, will not discolor any surface and does not build-up after multiple uses. Applying PROTECT makes cleaning easier and can increase the time between cleanings.

USES

Excellent for: ceramic, porcelain, fiberglass, chrome, aluminum, stainless, mirrors, glass, plastics, marble, appliances and many other smooth or polished surfaces. Not intended for use on floors.

PREPARATION

For best results, use appropriate KRC-7® cleaner prior to applying PROTECT.
