

Artisan® CLEAN Stone Cleaner

Safety Data Sheet

Section 1. Identification

Product Name: Artisan® CLEAN Stone Cleaner

Product Code:

Recommended use: Hard Surface Cleaner

Restrictions on use: Use only as directed

Manufacturer Name: Chemique, Inc.

Address: 315 N. Washington Avenue
Moorestown, NJ 08057

Telephone number: (856) 235-4161

Emergency phone number: (800) 535-5053 (Infotrac)

Date of Preparation: November 19, 2014

Section 2. Hazard(s) Identification

Note: This product is a consumer product and is labeled in accordance with the US Consumer Product Safety Commission regulations which take precedence over OSHA Hazard Communication labeling. The actual container label will not include the label elements below. The labeling below applies to industrial/professional products.

Classification: Not classified as hazardous

Label Elements:

Not Hazardous in accordance with the Globally Harmonized System for the Classification and Labeling of Chemicals (GHS)

Section 3. Composition / Information on Ingredients

Chemical name	CAS No.	Concentration
Surfactant	Proprietary	1-5%

The specific identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

Section 4. First-Aid Measures

Inhalation: Remove victim to fresh air. If irritation occurs or breathing is difficult, get medical attention.

Skin contact: Remove contaminated clothing. Wash with soap and water. If irritation persists, get medical attention. Launder clothing before reuse.

Eye contact: Flush eyes with water for several minutes while lifting the upper and lower lids. Get medical attention if irritation persists.

Ingestion: Rinse mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to a person who is unconscious or convulsing. Get medical attention.

Most important symptoms/effects, acute and delayed: May cause eye and skin irritation. Inhalation of mists may cause upper respiratory tract irritation. Swallowing large amounts may cause gastrointestinal irritation and nausea.

Indication of immediate medical attention and special treatment, if necessary: None required under normal conditions of use.

Section 5. Fire-Fighting Measures
--

Suitable (and unsuitable) extinguishing media: Use medical appropriate for the surrounding fire.

Specific hazards arising from the chemical: Combustion may produce carbon oxides.

Special protective equipment and precautions for fire-fighters: Firefighters should wear full emergency equipment and NIOSH approved positive pressure self-contained breathing apparatus. Cool fire exposure containers with water.

Section 6. Accidental Release Measures

Personal precautions, protective equipment, and emergency procedures: Wear appropriate protective clothing and equipment to avoid eye and skin contact.

Environmental precautions: Avoid release to the environment. Report spill as required by local and federal regulations.

Methods and materials for containment and cleaning up: Collect spilled material with inert material and place into a closable container for disposal. Wash spill area with water.

Section 7. Handling and Storage
--

Precautions for safe handling: Avoid contact with eyes, skin and clothing. Avoid breathing spray or mists. Use with adequate ventilation. Wash thoroughly after handling. Keep out reach of children.

Conditions for safe storage, including any incompatibilities. Store in a cool, well-ventilated area away from oxidizing agents. Protect from physical damage.

Section 8. Exposure Controls / Personal Protection

Exposure guidelines:

Surfactant	None Established
------------	------------------

Appropriate engineering controls: Good general room ventilation (equivalent to outdoors) should be adequate under normal conditions.

Individual protection measures, such as personal protective equipment:

Respiratory protection: None needed under normal use conditions. If significant quantities of mist are generated, an approved dust/mist respirator is recommended. Equipment selection depends on containment type and concentration, select in accordance with local regulations and good industrial hygiene practice. For firefighting, use self-contained breathing apparatus.

Skin protection: Wear rubber gloves to avoid skin contact.

Eye protection: Safety glasses with side shields recommended if splashing is possible.

Other: Appropriate protective clothing as needed to minimize skin contact.

Section 9. Physical and Chemical Properties

Appearance: Light orange liquid

Odor: Mild orange/citrus odor.

Odor threshold: Not available	pH: 5.5-6.0
Melting point/freezing point: 32°F (0°C)	Boiling point: 212°F (100°C)
Flash point: Not flammable	Evaporation rate: Same as water
Flammability (solid, gas): Not applicable	
Flammable limits: LEL: Not applicable	UEL: Not applicable
Vapor pressure: Same as water	Vapor density: Same as water
Relative density: 1.0	Solubility(ies): Completely Soluble
Partition coefficient: n-octanol/water: Not available	Auto-ignition temperature: Not applicable
Decomposition temperature: Not available	VOC: 0 g/L

Section 10. Stability and Reactivity

Reactivity: Not reactive under normal conditions of use.

Chemical stability: Stable

Possibility of hazardous reactions: None known.

Conditions to avoid: None known.

Incompatible materials: Avoid oxidizing agents.

Hazardous decomposition products: Thermal decomposition may yield carbon oxides.

Section 11. Toxicological Information

Acute effects of exposure:

Inhalation: Mists may cause mucous membrane and upper respiratory tract irritation.

Skin Contact: May cause mild irritation with redness and drying of the skin.

Eye Contact: May cause irritation with redness and tearing.

Ingestion: Swallowing may cause gastrointestinal irritation and nausea.

Chronic Effects: None known.

Sensitization: None of the components are sensitizing to animals or humans.

Germ Cell Mutagenicity: None of the components have been shown to cause germ cell mutagenicity.

Reproductive Toxicity: None of the components have been shown to cause reproductive or developmental toxicity.

Carcinogenicity: None of the components are listed as carcinogens or suspected carcinogens by IARC, NTP, ACGIH or OSHA.

Acute toxicity values:

Accute Toxicity Estimates for the Product: Oral 182, 141 mg/kg, Inhalation: 464.3 mg/L

Surfactant: No toxicity data available

Section 12. Ecological Information

This product is not expected to be harmful to the aquatic environment.

Ecotoxicity values:

Surfactant: No data available

Persistence and degradability: Surfactant is biodegradable.

Bioaccumulative potential: No data available. Not expected to be bioaccumulative.

Mobility in soil: No data available.

Other adverse effects: None known.

Section 13. Disposal Considerations
--

Dispose in accordance with all local, state and federal regulations.

Section 14. Transport Information
--

	UN Number	Proper shipping name	Hazard Class	Packing Group	Environmental Hazard
DOT		Not Regulated			None

Transport in bulk (according to Annex II of MARPOL 73/78 and the IBC Code): Not applicable – product is transported only in packaged form.

Special precautions: None known

Section 15. Regulatory Information

Safety, health, and environmental regulations specific for the product in question.

CERCLA Hazardous Substances (Section 103)/RQ: This product is not subject to CERCLA reporting requirements as it is sold. Many states have more stringent release reporting requirements. Report spills required under federal, state and local regulations.

SARA Hazard Category (311/312): Not Hazardous

EPA SARA 313: This product contains the following chemicals regulated under SARA Title III, section 313: None

California Proposition 65: This product does not contain chemicals regulated under California Proposition 65.

EPA TSCA Inventory: All of the components of this product are listed on the TSCA inventory.

CANADA:

Canadian WHMIS Classification: Not a controlled product

This product has been classified under the CPR and this SDS discloses information elements required by the CPR.

Section 16. Other Information

SDS Revision History: New SDS

Date of preparation: November 19, 2014

Date of last revision: None
