

Product Information

ARTISAN® Marble Restorer

DESCRIPTION

Artisan Marble Restorer is a heavy duty cleaning gel for use on a marble, travertine and other similar surfaces. Artisan is biodegradable and does not contain any bleach, caustic or phosphates. Artisan contains readily biodegradable surfactants. Artisan is effective over a wide dilution range and works equally well in hot or cold water.

USES

In addition to marble and travertine, Artisan can be safely used on stone and brick (glazed and unglazed)

PREPARATION

Before general application, test Artisan, following the directions on the label, and allow surface to thoroughly dry to determine compatibility and desired results. Protect paint surfaces, metal and all other surfaces this product is not intended.

PROPERTIES

Color	Green
Odor	Citrus
Flash Point	N/A
pH	10 - 10.5
lbs/gallon	8.4 - 8.5

APPLICATION

Apply Artisan onto a dry surface, from the bottom up. Let solution stand for approximately 10-20 minutes, depending on surface and contaminates. Agitate surface using a stiff brush and rinse thoroughly.

PACKAGED

Artisan is available in gallons, 5 gallon pails and 55 gallon drums

STORAGE AND SHELF LIFE

The shelf life is indefinite in original, closed containers. Protect from freezing.

DISPOSAL

Use completely or dispose of properly. Local requirements vary. Consult your local sanitation department or state designated environmental agency.

SAFETY AND HANDLING

For specific information, please refer to the material safety data sheet. Wear chemical resistant gloves, apron, footwear and goggles. Refer to product label and material safety data sheet for complete safety information. Use only with adequate ventilation. Do not breathe spray mist. Ensure fresh air entry during application and drying. Avoid contact with eyes and prolonged or repeated contact with skin. Avoid exposure to mist by wearing a NIOSH approved respirator during application and clean up. Follow respirator manufacturer's directions for respirator use. Close container after each use. Wash thoroughly after handling.

FIRST AID: In case of eye contact, flush with water for 15 minutes. Get immediate medical attention. In case of contact with skin, wash with soap and water. If you experience difficulty breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately.
IN CASE OF SPILL: Absorb with inert material and dispose of properly. **KEEP OUT OF REACH OF CHILDREN.** Refer to Material Safety Data Sheet available for further safety and handling information.
